Targetted problematic:

Cellulite

For who?

Adults, teenagers

Direction for use:

Apply twice daily our Gimme Smooth! until completely absorbed. The ideal use is to apply a dynamic palpate and roll massage with your hand, in a circular motion, on treated areas from the bottom of the body, going up toward the heart for 5 minutes. Once or twice a week, the bravest can also do a 20-minute massage. Look for magical results!

Use precautions:

- Gimme Smooth! is not suitable for pregnant women and children.
- Avoid sun exposure immediately after application!
- Always test the product on your inner elbow and leave for 24 hours before applying to larger skin areas.
