Targetted problematic:

Eczema, Psoriasis

For who?

Children from 36 months

Direction for use:

Gimme Soothing apply morning and evening until complete disappearance of symptoms. Clean your sensitive skin with our family cleansing base Gimme Soothing! before applying in a massage a few drops of our Gimme Soothing Lotion with your finger until completely absorbed. Do not rinse.

Precaution for use:

- The cleansing base Gimme Soothing! can be used by the whole family and children from 36 months.
- The Gimme Soothing Lotion! is not suitable for children. Use Gimme Soothing for children.
 - Do not use on broken, bleeding skin.
- Always test the product on the inner elbow and leave for 24 hours before applying to larger skin areas. Essential oils are alive with life and healing properties, which is why the family cleansing base Gimme Soothing! may change color over time. This is perfectly normal and does not alter its properties.
