

# ALPHANOVA® SUN

NATUREL & BIO  
FILTRES MINÉRAUX - NON NANO  
FORMULE TRANSPARENTE

## La protection naturelle de toute ma famille

SOINS SOLAIRES D'ORIGINE NATURELLE

100% FILTRES MINÉRAUX NON NANO

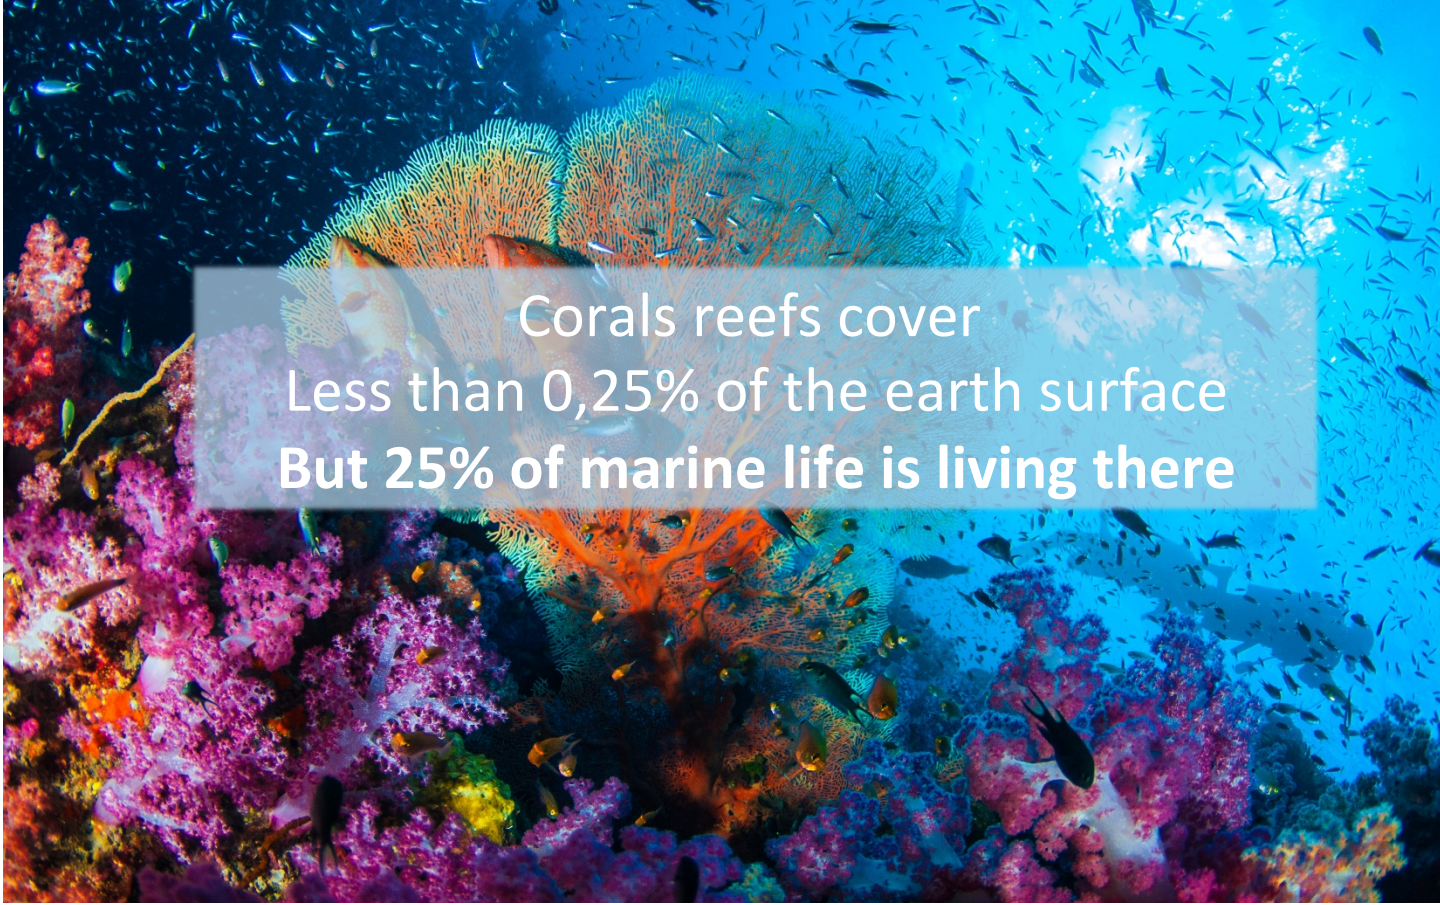

SANS PARABEN / SANS ZINC

COSMOS  
ORGANIC

Corals reefs cover  
Less than 0,25% of the earth surface  
**But 25% of marine life is living there**

In order to help to restore coral reef around the world,

**ALPHANOVA<sup>®</sup>**  
**SUN**

finance international association that have an action in Coral reef  
protection and restoration  
we give 1% of our turnover to this project

**1% POUR LE**  
**CORAIL**

# Our action

Project – Ste LUCE  
MARTINIQUE

Project  
New Caledonia

**N°1 of organic suncare in Europe**  
N°1 for Health and ecological respect

In order to protect environment and consumers, ALPHANOVA use only very safe ingredients :

- **Chemical filters free**

- toxic for environment and responsible of coral bleaching.
- risk of endocrines disorders
- allergies and sun sensibility

- We are using **only mineral screens** ( Our titanium is very safe – The average size of our particules is between 180nm and 300nm)

- **Zinc free** – The zinc is ecotoxic (Predictive laboratory methodology to assess coral bleaching Centre scientifique de Monaco & L'Oréal 2018)

In order to **protect animals**, we never test our products on animals

100% of the range **ALPHANOVA SUN** is **Végan** certified

ALPHANOVA SUN is **COSMOS ORGANIC certified** with high concentration of organic ingredients (20,01% to 34%)

All formula are 99% from natural origin

100% of packaging are recyclables

Chemical preservatives free

All our products are made in France and made under GMP norms
