

JOIK Organic products are certified by Ecocert according to COSMOS Standard.

JOIK
ORGANIC

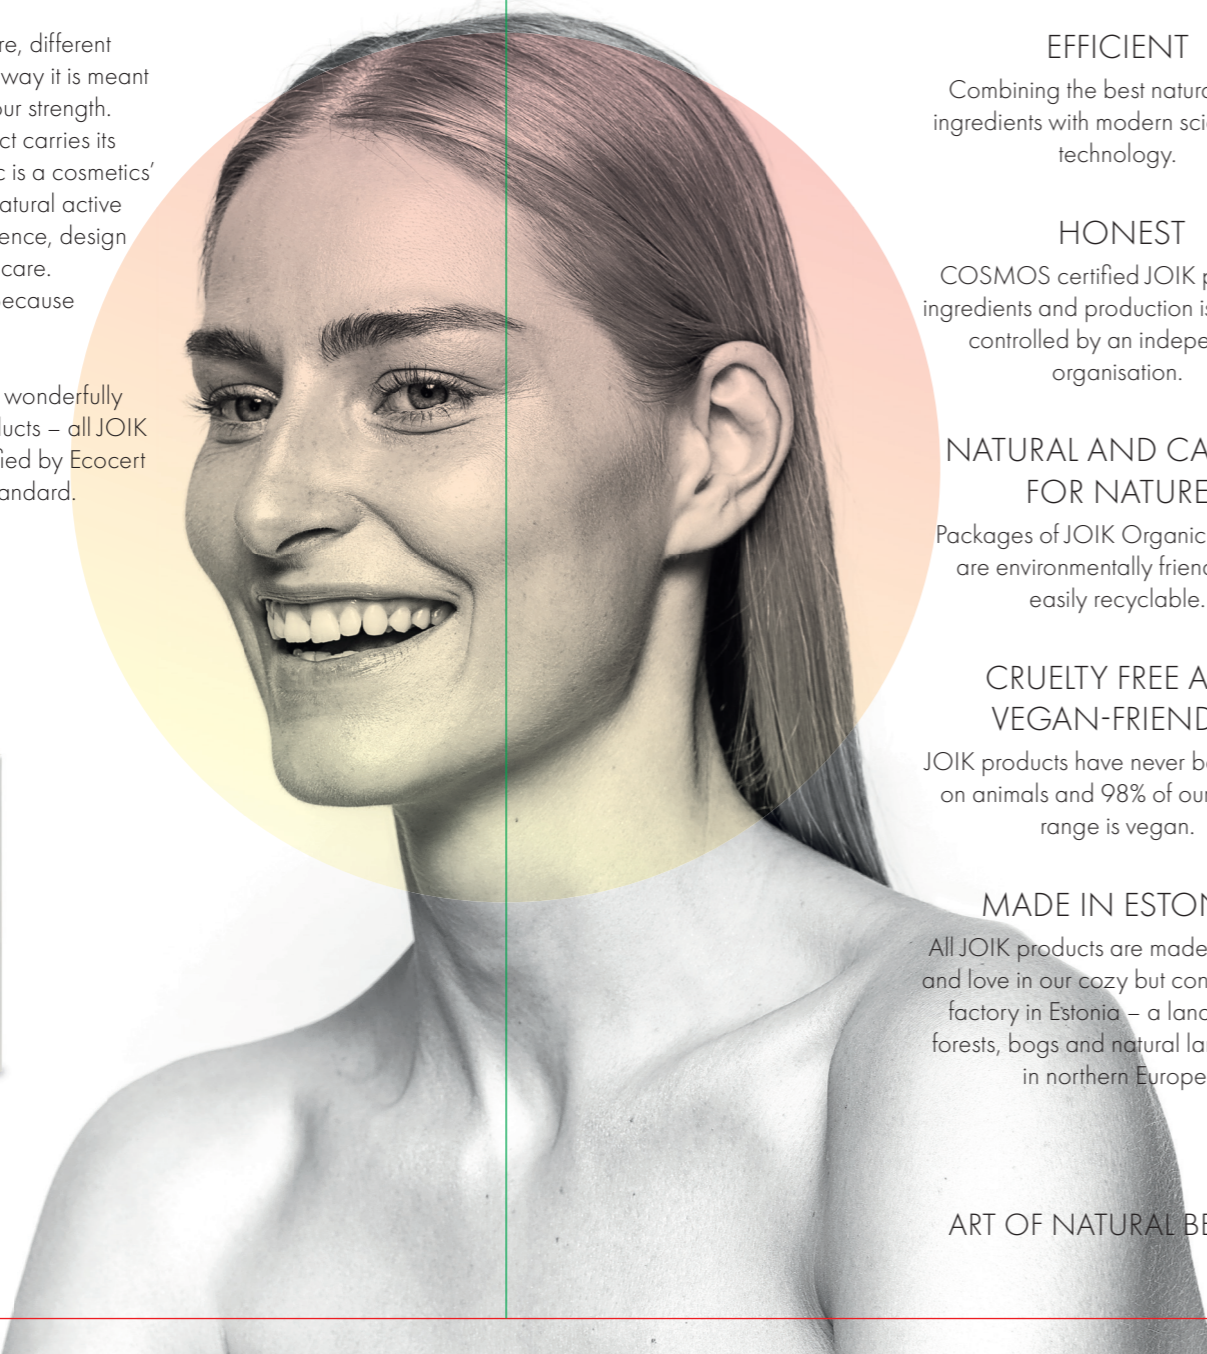

ART OF NATURAL BEAUTY

We are all created by nature, different and extraordinary - just the way it is meant to be. Your uniqueness is your strength. Similarly, every JOIK product carries its own strength. JOIK Organic is a cosmetics' range combining the best natural active ingredients with modern science, design and nordic traditions of skincare. We do what we promise. Because honesty is always beautiful.

From efficient facial care to wonderfully pampering body care products – all JOIK Organic products are certified by Ecocert according to COSMOS Standard.

JOIK
ORGANIC

EFFICIENT

Combining the best natural active ingredients with modern science and technology.

HONEST

COSMOS certified JOIK products, ingredients and production is thoroughly controlled by an independent organisation.

NATURAL AND CARING FOR NATURE

Packages of JOIK Organic products are environmentally friendly and easily recyclable.

CRUELTY FREE AND VEGAN-FRIENDLY

JOIK products have never been tested on animals and 98% of our product range is vegan.

MADE IN ESTONIA

All JOIK products are made with care and love in our cozy but contemporary factory in Estonia – a land of wild forests, bogs and natural landscapes in northern Europe.
